

Laura-Maria Stagnet

Objective

I am new to the yacht industry because I want to expand my life's experience by seeing the world from a different perspective. I love to be of service to people and have various work experiences in the service industry as a hostess, bartender and yoga teacher. I once finished a masters degree in Business but realised I prefer hands-on work. I bring mindfulness to everything I do. My German roots make me a hard worker :)

Work Experiences

FREELANCER

Yogasurfgirl Yoga (2019-2022)
